John Briggs
Rich Sebben

Residents present: 2 Residents present

Meeting commenced at 07:05 pm at Warren Township Center

Old Business:

- Complaints about high school traffic entering Julie Lane from southbound Almond Road to get quicker access to the Warren High School parking lot. Both the County traffic engineer and Jerry Rudd have been contacted for assistance and suggestions for installing turn lanes on Almond Road for high school traffic and/or certain types of no turn signs.

New Business:

- Continued complaints and observations about traffic from Warren High School driving through Countrytowne. Both the county and township were contacted about signage restricting access. The response was they did not know who would enforce the signs. No progress to date.

Meeting adjourned at 07:30 pm.
